†Certain items are subject to special limits on your policy, such as jewelry, furs, firearms, and business property.

This special inventory will save you time, money, and hassles if your property is damaged, stolen, or destroyed. List all your property and total the values for each room. Attach an additional list with serial numbers and include it. Then compare it with your present coverage to see if you're adequately protected. Please call us at 1-800-467-3626 so we can review your coverage needs together.

**Store a copy of this form away from your home for safe-keeping. Be sure to include photos and receipts for major purchases.**
