EASY-PAY Plan for automatic monthly premium payments by electronic funds transfer (EFT)

If you select our EASY-PAY Plan, PEMCO Mutual Insurance Company (PEMCO) will automatically deduct the premium on the date it is due from your checking account. To enroll in our EASY-PAY Plan we must, by state regulation, receive a signed authorization form from you. Please follow the steps below:

1. Complete this form.
2. Enclose a canceled/voided check or deposit slip.
3. Sign form and return to PEMCO Payment Center.

We'll send you a confirmation with the amount and date as soon as we set up your account.

EASY-PAY Plan for automatic monthly premium payments by electronic funds transfer (EFT)

Authorization for Electronic Funds Transfer (EFT)

I authorize PEMCO Mutual Insurance Company (PEMCO) to automatically deduct monthly insurance premium payments from my financial institution (on the ____ day of) each month. If no day is selected, my effective day will be used as the day for each monthly deduction. I understand my financial institution has no obligation to make the deductions unless full funds are available. PEMCO also may assess a non-sufficient fund fee. Payment deductions will continue for as long as my policy is in force or until I notify PEMCO that I no longer want to use EFT for my premium payment. I acknowledge that changes to my policy or rate structure may change the amount debited. Six (6) business days are required to cancel the EFT program.
